- 3.9** We do not intend to acquire shares for You under the Foresight Accelerated ITS until after the expiry of the 14 day cancellation period referred to in clause 3.4 of this Customer Agreement. You should note, however, the potentially adverse consequences of cancellation if You cancel after shares in investee companies have been acquired for You. We will endeavor to realise any holding acquired, however, the proceeds may not reflect the value of such shares. Further, if we are unable to realise Your holdings You should note that:
- 3.9.1** there will be no established market for those shares and, if You wished to sell them, You would be responsible for trying to do so, including finding a buyer;

By entering into this Customer Agreement, You grant to Us the right on Your behalf and on a discretionary basis to select and manage investments in accordance with the objectives and principles of the Foresight Accelerated ITS, as set out in the Investor Guide. We will acquire appropriate investments to build Your Portfolio and when You wish to withdraw funds from Your Portfolio, sell down such holdings in Your Portfolio as We deem appropriate. Generally We shall act as We think appropriate in relation to the management of the Portfolio, but subject always to the provisions of this Customer Agreement and the Applicable Rules.
- 4.2** By entering into this Customer Agreement, You acknowledge that the Foresight Group has not provided You with advice about the Foresight Accelerated ITS. You acknowledge that the Foresight Inheritance Tax Fund is not a collective investment scheme nor is it regulated and accordingly does not provide for protections typical of such schemes or regulated products.
- 4.3** We will acquire for Your Portfolio, investments which We reasonably believe to be Qualifying Investments at the time of acquisition (but no commitment is given that any such investment will be a Qualifying Investment or remain a Qualifying Investment at all times thereafter). There shall be no restriction on the amount invested in any one investment, or on the proportion of Your Portfolio in any one investment, or any particular type of investment unless specified in the Investor Guide and Applicable Rules.
- 4.4** It is likely that the trading activities of the entities in which Your Portfolio invests, directly or indirectly, will include dealings with companies and other entities in which Foresight and its Affiliates or funds advised by Foresight and its Affiliates have an interest. Such interests may include being a subsidiary undertaking or otherwise having equity investments and/or debt investments and/or the provision of services. Such dealings may include the provision of credit facilities on preferred or subordinated terms. Accordingly Foresight and its Affiliates may be entitled to gains, profits or fees from or in relation to such companies and entities. The conduct of Your Portfolio will always be in accordance with the objectives and principles set out in the Investor Guide.
- 4.5** Any sale of investments by Us, or withdrawals by way of dividends, on Your behalf may trigger tax consequences about which You should speak to Your professional financial and/or tax adviser. A sale of Qualifying Investments will mean You lose the benefit of BPR in relation to those Qualifying Investments. We are not responsible for the taxation consequences of any transaction. Except for BPR, We are not required to take into account tax issues for You in the management of the Portfolio.

- 4.6** We will not be responsible for any disclosures or notifications from time to time required of You by legislation or regulatory bodies such as the Panel on Takeovers and Mergers.
- 4.7** We shall not, except as expressly provided in this Customer Agreement or unless otherwise authorised, have any authority to act on behalf of, or in respect of, You or to act as Your agent.
- 4.8** We have appointed NCM Depository Services Limited to act as depository of the Foresight Inheritance Tax Fund pursuant to the Depository Agreement. The Depository will fulfil the duties and responsibilities provided for by AIFMD, and in particular will ensure that the Foresight Inheritance Tax Fund's cash flows are properly monitored and that all payments made by You or on your behalf in respect of Your subscription funds have been received and that all cash of the Foresight Inheritance Tax Fund has been booked in accounts opened in the name of the Foresight Inheritance Tax Fund or as otherwise provided for by AIFMD. We will have the authority to enter into an agreement with the Depository (or any successor depository to the Depository) appointed in accordance with the provisions of AIFMD and to issue orders and instructions (including, without limitation to, the Depository) with respect to the making and disposition of investments in respect of Your Portfolio, the payment and/or the deposit of monies, securities and other assets of the Foresight Inheritance Tax Fund, in each case without Your consent.
- 4.9** You hereby authorise Us or Our agents to act on Your behalf and in Your name to negotiate, agree, execute and do all such acts, transactions, agreements and deeds as We or Our agents may deem necessary or desirable in connection with the Foresight Inheritance Tax Fund for the purposes of making, managing and disposing of investments and cash on Your behalf and generally fulfilling the objectives and purposes of the Foresight Inheritance Tax Fund (including facilitating the payment of adviser fees on Your behalf) and this authority shall be irrevocable and shall survive, and shall not be affected by, Your subsequent death, disability, incapacity, incompetence, termination, bankruptcy, insolvency or dissolution. This authority will terminate upon You ceasing to hold any cash or other assets in the Foresight Inheritance Tax Fund through the Foresight Accelerated ITS.

5. Financial Advice

- 5.1** Foresight and its Affiliates have provided no financial, legal, tax or investment advice in relation to the suitability of the Foresight Accelerated ITS for You. It is Your responsibility (on the advice of Your authorised financial intermediary) to keep Your financial circumstances, objectives and risk profile under review, and to assess whether the Foresight Accelerated ITS and other investments selected by (or on behalf of) You remain suitable for Your needs. We are not liable for any losses You suffer or incur as a result of Your investment in the Foresight Inheritance Tax Fund through the Foresight Accelerated ITS (whether or not You have received advice from an authorised financial intermediary) and We cannot and do not make any representation that such investment is (and/or investments made on Your behalf through the Foresight Inheritance Tax Fund are) suitable or appropriate for Your specific needs and requirements.
- 5.2** We will provide You with information on investments held within Your Portfolio from time to time. Any information on investments or markets such as market trends, investment analysis or commentary on the performance of selected investments or companies is for information purposes only and should not be viewed as a personal recommendation.
- 5.3** We may, subject to Applicable Rules and unless You notify Us in writing, accept instructions and deal with any agent or other adviser notified to Us in writing rather than dealing with You directly and We may share with such person, details of Your investments with Us.
- 5.4** Where Your Application Form has been submitted through a financial intermediary or other professional agent, then You warrant and represent that such person is acting as Your agent.

6. Fees and Charges

- 6.1** Fees and charges are summarised in the Investor Guide, as updated in the Change Notification, and are described in more detail in this clause 6 of this Customer Agreement.
- 6.2** Foresight will be entitled to an initial charge of 2.5% of the monies subscribed by You in the Foresight Accelerated ITS. This initial charge will be deducted from the monies subscribed before the balance, net of initial adviser charges, is invested on Your behalf. This charge will not be applied to any amount deducted to facilitate payment of initial adviser charges.
- 6.3** We may make, or procure the making of, facilitation payments in respect of charges You have agreed with Your authorised financial intermediary on Your behalf as detailed in the Investor Guide. You confirm that any ongoing agreed charges payable to Your authorised financial intermediary are and will be for ongoing services to You in relation to the Foresight Accelerated ITS. You have the right to cancel the facilitation of ongoing charges at any time by notice in writing to Us. You may also request that facilitation of ongoing charges be paid to a new authorised financial intermediary who is advising You in relation to the Foresight Accelerated ITS in place of the previous authorised financial intermediary. Any such request must be by at least 30 days' notice in writing to Us. No facilitation of ongoing charges will be made unless these are exceeded by the value of Your Portfolio. Facilitation of ongoing charges will, in most cases, be facilitated through withdrawals from Your Portfolio and, if required, will be rounded down to the amount capable of being realised through the disposal of the nearest whole number of shares within Your Portfolio. For the avoidance of doubt, any balance of ongoing charges as a result of roundings will not be carried forward. We may decline to make, or procure the making of, facilitation payments, or alter the structure of such facilitation payments for legal, tax or regulatory reasons. All facilitation payments will be made in accordance with the Foresight Group terms of business for financial intermediaries from time to time.

Clauses 6.4 to 6.13 shall apply in relation to fees in connection with Your investment in the Foresight Inheritance Tax Fund through the Foresight Accelerated ITS up to and including 31 December 2020:

- 6.4** Clauses 6.4A to 6.7A of this Customer Agreement shall apply in respect of each financial period (or part thereof) up to and including 30 November 2018. Clauses 6.4B to 6.13B apply in respect of each financial period (or part thereof) on and from 1 December 2018.
- 6.4A** Foresight shall be entitled to annual management charges as follows:
- 6.4A.1** During the Initial Period, an amount equal to 4.64% per annum of the Net Investment Amount, payable quarterly in advance.
- 6.4A.2** Following the Initial Period, an amount equal to 1.0% per annum of the Net Investment Amount, calculated as follows and shall be payable as provided in clause 6.4A.3 of this Customer Agreement:
- (a) Foresight shall, within 1 month of the end of each financial year of the Foresight Accelerated ITS calculate the annual return on Your

Portfolio for the period ("Calculation Period") from the end of the Initial Period to the last day of that financial year. Annual return shall mean income returns (excluding capital growth) on the funds invested by You in Your Portfolio (net of the initial charge of 2.5%, any upfront adviser charges that are facilitated and any withdrawals by You) and shall be calculated on a cumulative basis (without compounding) after deduction of the costs and expenses of the Foresight Accelerated ITS and before deduction of Foresight's annual management charges;

- (b) if at the end of the relevant Calculation Period, the annual return on Your Portfolio is at least 4.5% per annum, then Foresight shall be entitled to its annual management charge for the relevant financial year (and, to the extent not previously paid, any accrued annual management charges resulting from (c) and (d) below for any previous financial year, but subject to the annual return on Your Portfolio for the relevant Calculation Period not being reduced to less than 3.5% per annum);
- (c) If at the end of the relevant Calculation Period, the annual return on Your Portfolio is greater than 3.5% per annum but less than 4.5% per annum, Foresight shall be entitled to such proportion of its annual management charge for the relevant financial year as will result in the annual returns on Your Portfolio for the Calculation Period being reduced to no less than 3.5% per annum (and the balance of Foresight's annual management charge for the financial year will accrue and be carried forward to subsequent Calculation Periods);
- (d) If at the end of the relevant Calculation Period, the annual return on Your Portfolio is less than 3.5% per annum, Foresight shall not be entitled to its annual management charge for the relevant financial year (and such annual management charges will accrue and be carried forward to subsequent Calculation Periods).

6.4A.3 Annual management charges to which Foresight is entitled to be paid in respect of a financial year pursuant to clause 6.4A.2 of this Customer Agreement shall be paid as follows:

- (a) in four equal quarterly amounts in advance as a payment on account (or, in respect of a financial year which is not 12 months, such amounts and on such dates as Foresight shall determine);
- (b) to the extent that the payments on account paid to Foresight in respect of the financial year are less than the annual management charges payable for that year then the balance of the fees shall be payable to Foresight within one month of the financial year end; and
- (c) to the extent that the payments on account paid to Foresight in respect of the financial year are more than the annual management charges payable for that year the excess amount shall be repaid by Foresight within one month of the financial year end.

6.4A.4 Annual management charges will normally be paid by the companies in which You hold Qualifying Investments. For the avoidance of doubt no part of an annual management charge actually paid to Foresight (other than payments on account) shall be repayable if annual returns for a Calculation Period ending after the date of payment have fallen.

6.4A.5 The Net Investment Amount on which the annual management charges are based will be reduced by the original cost attaching to the investment withdrawn. If a full withdrawal is made during the Initial Period, any unpaid annual management charges for the relevant year will be taken in full. This applies if the withdrawal is made during Your lifetime or on Your death.

6.5A Foresight and/or Affiliates will, in respect of each financial year of the Foresight Accelerated ITS and the Foresight ITS, charge a company secretarial fee to the companies in which the Foresight Accelerated ITS and the Foresight ITS directly invest of £60,000 per annum or, if greater, 0.3% of the gross amount of all monies invested in companies through both the Foresight Accelerated ITS and the Foresight ITS at the end of such year. The company secretarial fee will be paid annually and is included within the cap on normal running and administrative costs as set out in clause 6.7A of this Customer Agreement.

6.6A Foresight and/or its Affiliates will charge transaction arrangement fees in respect of underlying companies and trades funded through the Foresight Accelerated ITS and the Foresight ITS. We will ensure that such fees will range between 0.5% to 1.5% of the Foresight Accelerated ITS and the Foresight ITS funds' value per annum. Applicable VAT will be charged where appropriate.

6.7A Foresight will ensure that in relation to each financial year of the Foresight Accelerated ITS normal running and administration costs of the companies in which the Foresight Accelerated ITS and the Foresight ITS directly invest do not exceed 0.7% of the value of the Portfolios of all investors in the Foresight Accelerated ITS and the Foresight ITS at the end of that financial year. Such expenses will include the Foresight secretarial fees referred to at clause 6.5A of this Customer Agreement, directors' fees, audit fees, adviser fees, regulatory fees and any other general expenses incurred in operating the companies. Expenses will not include the Foresight annual management charges, stamp duty, the costs and expenses of the entities in which such bodies corporate themselves invest and the investment costs of the underlying investments (including the arrangement fees referred to in clause 6.6A of this Customer Agreement).

6.4B We shall be entitled to annual management charges as follows:

6.4B.1 during the Initial Period, an amount equal to 4.64% per annum of the Net Investment Amount.

6.4B.2 after the Initial Period, an amount equal to 1.0% per annum of Your Portfolio Value (calculated in the same manner as set out in clause 6.5B.1 of this Customer Agreement), and shall be payable in accordance with clauses 6.5B and 6.6B of this Customer Agreement.

6.5B The payment of Our annual management charge during the Initial Period shall be payable quarterly in advance and following the Initial Period shall be subject to, and calculated in accordance with, the following:

6.5B.1 We shall, within three months of the end of each financial period of the Foresight Inheritance Tax Fund ending after the Initial Period calculate the Investor Priority Return, the Portfolio Value and the Gross Return in respect of Your Portfolio in relation to the relevant financial period (or, as applicable, part thereof) of the Foresight Inheritance Tax Fund ("Calculation Period"). For these purposes:

- (a) 'Investor Priority Return' shall mean a sum equal to a growth of 3.5% on the value of Your Portfolio as at the end of the Initial Period or, as applicable, the immediately preceding Calculation Period (for the avoidance of doubt, after providing for any annual management charge for the Initial Period or, as applicable the relevant preceding Calculation Period and any unpaid annual management charges from previous Calculation Periods that have become payable in respect of the relevant preceding Calculation Period);
- (b) 'Portfolio Value' means the value of Your Portfolio (ignoring the annual management charge for the relevant Calculation Period and

any accrued but unpaid annual management charges from previous Calculation Periods) as at the end of that Calculation Period; and

- (c) 'Gross Return' means a sum equal to the growth in the value of Your Portfolio for the relevant Calculation Period (ignoring any annual management charge for that Calculation Period and any unpaid annual management charges from previous Calculation Periods that have become payable in that Calculation Period).

6.5B.2 Our annual management charge in respect of a Calculation Period will always accrue, but payment for that Calculation Period will be restricted as set out in clause 6.5B.3 of this Customer Agreement.

6.5B.3 Payment of Our annual management charge for the relevant Calculation Period will be restricted to the extent that the Gross Return in respect of the relevant Calculation Period (as reduced by the amount of annual management charge to be paid for that Calculation Period, but ignoring any unpaid annual management charges from previous Calculation Periods that may be paid in respect of that Calculation Period) would be reduced to less than the Investor Priority Return in respect of that Calculation Period. Any part of Our annual management charge for the relevant Calculation Period that cannot be paid will accrue and be carried forward ("Unpaid Annual Management Charges") to subsequent Calculation Periods until it can be paid in accordance with clause 6.5B.4 of this Customer Agreement). With regard to any annual management charges payable to Us accrued but unpaid as at 30 November 2018 under the provisions of clause 6.4A of this Customer Agreement, such amount will be treated as Unpaid Annual Management Charges.

6.5B.4 Any Unpaid Annual Management Charges resulting from clauses 6.5B.3 or 6.5B.14 of this Customer Agreement will be paid in subsequent Calculation Periods where, in respect of the relevant Calculation Period, the Gross Return is greater than the Investor Priority Return. However, any Unpaid Annual Management Charges in a relevant Calculation Period will only be paid to the extent that the Gross Return in respect of that Calculation Period (as reduced by the amount of annual management charge to be paid for that Calculation Period and any Unpaid Annual Management Charges to be paid pursuant to this clause in respect of that Calculation Period) not being reduced to less than the Minimum Threshold. For these purposes 'Minimum Threshold' means a sum equal to the aggregate of the Investor Priority Return for that Calculation Period plus an amount equal to all shortfalls (if any) in Investor Priority Return in respect of all previous Calculation Periods (each an 'Investor Priority Return Shortfall') to the extent not previously made up. By 'to the extent not previously made up', We mean that where the Gross Return in any particular Calculation Period (as reduced by the amount of annual management charge to be paid for that Calculation Period) is greater than any Investor Priority Return Shortfall, that Investor Priority Return Shortfall, to the extent met, shall be excluded from the calculations in this clause 6.5B.4 in subsequent Calculation Periods. For the avoidance of doubt, any Unpaid Annual Management Charges which cannot be paid will continue to be carried forward to subsequent Calculation Periods until paid pursuant to this clause.

6.6B The annual management charge to which We are entitled to be paid in respect of a Calculation Period pursuant to clause 6.5B.3 of this Customer Agreement (excluding, for the avoidance of doubt, any Unpaid Annual Management Charges) shall be paid as follows:

- (a) in four quarterly amounts based upon the latest quarterly value of your Portfolio during the Calculation Period as payments on account in such amounts and on such dates as We shall determine;
- (b) to the extent that the payments on account paid to Us in respect of a Calculation Period are less than the annual management charge payable for that Calculation Period (excluding, for the avoidance of doubt, any Unpaid Annual Management Charges) then the balance of the annual management charge shall be payable to Us within four months of the end of the Calculation Period; and
- (c) to the extent that the payments on account paid to Us in respect of the Calculation Period are more than the annual management charges payable for that Calculation Period (excluding, for the avoidance of doubt, any Unpaid Annual Management Charges) the excess amount shall be repaid by Us within four months of the end of the Calculation Period.

6.7B Unpaid Annual Management Charges to which We are entitled to be paid in respect of a Calculation Period pursuant to clause 6.5B.4 of this Customer Agreement shall be paid within four months of the end of the Calculation Period.

6.8B Annual management charges accrued (including Unpaid Annual Management Charges) as at the date of final or full withdrawal (whether such withdrawal occurs during Your lifetime or on Your death) will be calculated immediately prior to such withdrawal and the provisions of clause 6.5B and clauses 6.6B(b) and 6.6B(c) of this Customer Agreement shall apply mutatis mutandis. For the avoidance of doubt, Your final Portfolio Value will be based upon the latest quarterly value of your Portfolio in the relevant financial period of the Foresight Inheritance Tax Fund and not revalued at the date of final or full withdrawal.

6.9B In the event of any partial withdrawals from Your Portfolio, We shall, in such instances, be entitled to make such time-weighted adjustments in respect of the calculation of Our annual management charges and the value and returns in respect of Your Portfolio as We see fit.

6.10B Annual management charges will normally be paid by the companies in which You hold Qualifying Investments and will reduce the value of Your Portfolio.

6.11B Foresight will charge an annual administration fee to the companies in which the Foresight Inheritance Tax Fund directly invests. In respect of each investee company the annual administration fee will be an amount equal to 1.65% per annum of the investee company's net asset value (calculated before the deduction of any annual management and administration charges) at the end of its financial period. The annual administration fee includes all company secretarial, administration, deal and arrangement services to an investee company group, and related costs. It does not include the normal trading costs of an investee company group nor any fees and costs in relation to independent directors, audit, legal, stamp duty and exceptional items.

6.12B Annual administration fees to which We are entitled from an investee company in respect of each of its financial periods pursuant to clause 6.11B of this Customer Agreement shall be paid in four quarterly amounts as payments on account in such amounts and on such dates as We shall determine based on Our estimates of the investee company's net asset value based upon that investee company's net asset value for the previous quarter.

6.13B Foresight shall, within three months of the end of each financial period of the relevant investee company re-calculate the annual administration fee in respect of the relevant financial period based on that investee company's management accounts for the relevant financial period. To the extent that:

- (a) the payments on account paid to Us by the relevant investee company are less than the annual administration fee actually payable by that investee company for its relevant financial period then the balance of the annual administration fees shall be payable to Us

by that investee company within four months of the end of its financial period; and

- (b) to the extent that the payments on account paid to Us by the relevant investee company are more than the annual administration fees payable for its relevant period, the excess amount shall be repaid by Us to that company within four months of the end of its financial period.

Clauses 6.14 to 6.20 shall apply in relation to fees in connection with Your investment in the Foresight Inheritance Tax Fund through the Foresight Accelerated ITS from 1 January 2021:

- 6.14** It is acknowledged that Your Initial Period expired prior to 1 January 2021.
- 6.15** We will charge an annual administration fee to the companies in which the Foresight Inheritance Tax Fund directly invests of an amount equal to 2.00% of the investee company's net asset value. Such fee will be calculated quarterly as an amount equal to 0.5% of each investee company's net asset value as at the end of that investee company's relevant quarter but before the deduction of the administration fee and any Foresight Accelerated ITS annual management charges for that quarter. The annual administration fee includes all company secretarial, administration, deal and arrangement services to an investee company group, and related costs. It does not include the normal trading costs of an investee company group nor any fees and costs in relation to independent directors, audit, legal, stamp duty and exceptional items.
- 6.16** The administration fees to which We are entitled from an investee company pursuant to clause 6.15 of this Customer Agreement shall be paid quarterly in advance based on Our estimates of the investee company's expected net asset value as at the end of that quarter.
- 6.17** We shall, as soon as reasonably practicable following the end of the relevant investee company's quarter, calculate the actual administration fee in respect of the relevant quarter based on that investee company's books and records for that quarter. To the extent that:
- 6.17.1** the administration fee payment paid to Us by the relevant investee company based upon Our estimate for a relevant quarter is less than the administration fee actually payable by that investee company for that quarter, then the balance shall be payable to Us by that investee company as soon as reasonably practicable; or
- 6.17.2** the administration fee payment paid to Us by the relevant investee company based upon Our estimate for a relevant quarter is more than the administration fee actually payable by that investee company for that quarter, the excess amount shall be repaid by Us to that investee company as soon as reasonably practicable.
- 6.18** On final withdrawal (whether made during Your lifetime or on Your death), We will pay to You (or, as applicable, to Your estate) in respect of each financial period from 1 January 2021 or, if later, the end of Your Initial Period to the date of final withdrawal, an amount equal to up to 0.35% of Your Portfolio Value as at the end of each financial period (or, as applicable, the date of final withdrawal) if, and only to the extent that, the growth of Your Portfolio Value during that financial period is (taking into account such payment) less than applicable Investor Priority Return. For the purposes of this clause 6.18:
- 6.18.1** in respect of the financial period in which final withdrawal takes place (and, any immediately preceding financial period where a valuation as at the end of that financial period has not been completed as at the date of final withdrawal), Your Portfolio Value on withdrawal will be the most recent valuation of Your Portfolio carried out by Us and the payment, if anything, for such financial periods shall be calculated only to the date of that most recent valuation and not in respect of any later period; and
- 6.18.2** where the financial period is less than 12 months, Your applicable Investor Priority Return percentage will be proportionately reduced.
- 6.19** In the event of any partial withdrawals from Your Portfolio, We shall, in such instances, be entitled to make such time-weighted adjustments in respect of the calculation of the payment referred to in clause 6.18 as We see fit.
- 6.20** We hereby unconditionally waive any Unpaid AMCs which have not become payable as at 31 December 2020.
- 6.21** We may fix the financial year of the Foresight Inheritance Tax Fund from time to time and the expression 'financial period' or 'financial year' means any shorter/longer period than a 12-month period as We may in Our discretion decide.
- 6.22** All fees and charges are stated exclusive of VAT, if applicable. Fees and charges paid by the companies in which the Foresight Inheritance Tax Fund invests will be subject to applicable VAT and any irrecoverable VAT will reduce the value of Your Portfolio.
- 7. Delegation and Use of Agents**
- 7.1** Any of Our functions under this Customer Agreement may be delegated to an Affiliate or suitably qualified (and if relevant, appropriately regulated) third party of Our choice to perform such functions. This does not prevent the assignment by Us of any agreement pursuant to clause 21.1 of this Customer Agreement.
- 7.2** In particular, We may at Our discretion, delegate the provision of administration, nominee and safe custody services to such professional entity or entities as We see fit. We may change such entity and amend the terms of the relationship with such entity from time to time and will negotiate such terms on an arms' length basis in good faith.
- 7.3** We will act in good faith and with due diligence in the selection, use and monitoring of third party agents and delegates. Save as provided in this clause 7.3 and clause 7.4 of this Customer Agreement We are not responsible or liable for the acts, omissions and errors of any agent or delegate.
- 7.4** Where any functions have been delegated to an Affiliate, We will, save as otherwise set out in this Customer Agreement, accept responsibility for all acts and omissions of such Affiliate as if they were Our own.
- 8. Custody**
- 8.1** The Nominee or Depositary will, subject to the Applicable Rules, hold all investments in Your Portfolio in safe custody on the following basis:
- 8.1.1** any registerable investment acquired for Your Portfolio will normally be registered in the name of the Nominee. For legal and tax purposes, You will be the beneficial owner of such investments but the Nominee will be the legal owner;
- 8.1.2** title documents (if any) to investments in respect of which such documents are issued will be physically held by the Depositary; and
- 8.1.3** any documents of title to investments in bearer form will be held by the Depositary.

8.2 Investments held by the Nominee for the account of Your Portfolio may be pooled with other holdings held by the Nominee and, as such, may not be readily identifiable by separate certificates, other physical documents of title or equivalent electronic record. As a result, should the Nominee default, You will share in any shortfall in proportion to Your original share of any investments in the Nominee's pool. In addition, where the Nominee holds the same investments for You and another investor in the Foresight Inheritance Tax Fund, Your investments may in effect be used to settle that other investor's transaction, which will not affect the Nominee's record of Your entitlements.

8.3 We have discretion to exercise or decline to exercise any conversion, subscription, voting or other rights relating to investments held in Your Portfolio, and to give suitable instructions to the Nominee, without consulting with You beforehand. By entering into this Customer Agreement, You hereby authorise Foresight to act on Your behalf and exercise all rights attaching to the investments held in Your Portfolio as it shall deem fit and at its discretion.

9. Client Money

9.1 When your Application Form has been accepted, following the processing of the application and investment monies by the Receiving Agent, the Receiving Agent will deposit cash received from You in connection with the Foresight Accelerated ITS, until invested, with an Approved Bank in a common call account, together with cash balances belonging to other investors and the Receiving Agent shall appoint a suitably authorised person to operate such account. This account will have trust status and will be kept separate from any money belonging to Us, the Receiving Agent or to the Depository. The Receiving Agent is not subject to the FCA's client money rules and, therefore, any of Your monies held by the Receiving Agent will not receive the protections afforded by the FCA's client money rules.

9.2 Cash within Your Portfolio realised in relation to realisations and withdrawals will be held by the Cash Custodian with an Approved Bank in one or more client accounts, together with cash balances belonging to other investors. Interest does not currently accrue on any such cash balances. Should this change, any interest earned on cash balances will be added to Your Portfolio. The client accounts referred to in this clause 9.2 will have trust status and will be kept separate from any money belonging to Us, the Cash Custodian or to the Depository. The Cash Custodian is subject to the FCA's client money rules and, therefore, any of Your monies held by the Cash Custodian will receive the protections afforded by the FCA's client money rules.

9.3 No responsibility is accepted for any acts or omissions of the Receiving Agent, the Cash Custodian or the Approved Bank. Should the Receiving Agent, the Cash Custodian or the Approved Bank become insolvent, We will claim on behalf of Our clients. Interest does not currently accrue on uninvested cash. Should this change, any interest earned on cash balances will be added to Your Portfolio.

9.4 After termination of this Customer Agreement, and subject to any Applicable Rules, We may direct Your money be used at Our own discretion if it remains unclaimed for a period of at least six years and provided that We have taken reasonable steps (or have procured that such reasonable steps have been taken) to trace You and return the balance.

9.5 Clauses 9.1 to 9.4 of this Customer Agreement do not apply to the proceeds of any claim made under the Insurance Policy received by Us. We will hold such monies in a separate bank account in Our name with an Approved Bank in the UK. The payment of the proceeds to Your beneficiaries will be subject to the trust declared by You pursuant to clause 20.7 of this Customer Agreement.

10. Valuations and Reports

10.1 You will receive statements twice a year, confirming the value of Your Portfolio as at the last day of the period in question. All such reports will be provided within 90 days of the period end. On request We can provide You with a statement for an interim three month period.

10.2 All investments will be valued at close of business on the last day of the relevant period in accordance with clause 10.3 of this Customer Agreement. Periodic statements will also show the opening value of Your Portfolio, any withdrawals and/or other adjustments to Your Portfolio holdings and the closing value of Your Portfolio.

10.3 We will value the investments, incorporating capital and income returns, in Your Portfolio quarterly and on a basis consistent with the valuation principles issued by the British Private Equity and Venture Capital Association from time to time, but using discounted cashflows where appropriate. The companies in which investments are made are typically audited annually. In calculating the fees and charges of Foresight relevant to income or capital returns, or annual returns for any period the applicable valuation statements issued by Foresight or Affiliates in relation to Your Portfolio shall be final and binding. The performance of the investments held within Your Portfolio will not be measured against any stock market or other index.

11. Conflicts of Interest

We have implemented a conflicts of interest policy that identifies those circumstances that constitute, or may give rise to, conflicts of interest that pose a material risk of damage to Our customers. This policy also addresses the effective organisational and administrative arrangements that We maintain and operate to manage those conflicts. A copy of such policy is available on request. Your attention is drawn to clause 4.4 of this Customer Agreement.

12. Dealing

12.1 In effecting transactions for the Foresight Inheritance Tax Fund, We will act in accordance with the FCA Rules.

12.2 We will act in good faith and with due diligence in Our choice and use of counterparties. All transactions will be effected in accordance with the rules and regulations of the relevant market, exchange or trading facility (if relevant), and We may take all such steps as may be required or permitted by such rules and regulations and/or by appropriate market practice.

12.3 We may aggregate transactions with those of other customers and employees of Us and Our Affiliates in accordance with the Applicable Rules. It is unlikely that the effect of such an allocation will work to Your disadvantage, however, occasionally, this may be the case. We will allocate aggregated transactions promptly on a fair basis in accordance with the requirements of the Applicable Rules (if applicable) so that:

- (a)** if there is any conflict between the provisions of this Customer Agreement and any such rules, customs or Applicable Rules, the latter shall prevail; and
- (b)** action may be taken as thought fit in order to ensure compliance with any such rules, customs or Applicable Rules. You should, however, be aware that Your Portfolio will be invested in a range of unlisted securities and there is generally no relevant market or exchange and consequent rules and customs and there will be varying practices for different securities.

Transactions in shares of such securities will be effected on the best commercial terms which can be secured.

- 12.4** Save as detailed in clause 2.3 of this Customer Agreement, We shall take reasonable steps to obtain the best possible result when executing orders. This duty of best execution is owed by Us to the Foresight Inheritance Tax Fund, further details of which are set out in the Order Execution Policy, provided in Schedule 1 of this Customer Agreement.

13. Liability

- 13.1** We will act in good faith and with due diligence in managing Your Portfolio in accordance with this Customer Agreement. We accept responsibility for loss to You only to the extent that such loss is due to negligence or wilful default by Us or Our Affiliates. We will not be responsible for any losses to the extent arising from any information provided by You and/or Your agent being untrue, inaccurate or incomplete.
- 13.2** Should the Nominee, the Cash Custodian or the Depository fail to deliver any necessary documents or to account for any investments, We will take all reasonable steps on Your behalf to recover such documents or investments or any sums due or compensation in lieu thereof but save where the Nominee, the Cash Custodian and/or the Depository is Our Affiliate, and subject to Our general duty of good faith, no liability is accepted for such failure.
- 13.3** Save as provided in the Applicable Rules if there is a total or partial failure, interruption or delay in the performance of Our obligations to the extent resulting from acts, events or circumstances not reasonably within Our control (including, but not limited to: acts or regulations of any governmental, regulatory or supranational bodies or authorities; Insurer failure or insolvency; breakdown, failure or malfunction of any telecommunications or computer service or services; and acts of war, terrorism or civil unrest) We shall not be liable to You or in breach of this Customer Agreement.
- 13.4** Subject to clause 13.1 of this Customer Agreement, We shall not be liable for any loss or damage of any direct or indirect nature caused by changes in revenue law or practice as determined by HMRC from time to time.
- 13.5** We will assume that all investments made on Your behalf under the Foresight Inheritance Tax Fund are new investments requiring a full two year holding period for BPR and will report to You on this basis. If You are transferring an existing BPR investment into the Foresight Inheritance Tax Fund it will be Your responsibility to assess Your holding period for BPR and whether any transfer prejudices any prior holding period (and We accept no responsibility in this regard).
- 13.6** Nothing in clauses 13.1 to 13.4 of this Customer Agreement shall limit any liability We may have to You under the terms of the Applicable Rules.
- 13.7** No responsibility is accepted for loss of an indirect or consequential nature such as loss of goodwill, profit or opportunity nor in respect of any failure or refusal by the Insurer to settle any claim under the Insurance Policy.
- 13.8** Nothing in this Customer Agreement shall exclude or limit Our liability for fraud or fraudulent misrepresentation by Us or Our Affiliates or for death or personal injury.

14. Withdrawals

- 14.1** You may not make any withdrawal from investments in Your Portfolio during the Initial Period, save for a withdrawal of your entire investment, or withdrawals for the purposes of meeting ongoing adviser charges.
- 14.2** Subject to clause 14.1 of this Customer Agreement, any request for, or other necessary, withdrawal from investments in Your Portfolio (including regular and ad hoc withdrawals) must be made in writing. Withdrawals will generally be made through a disposal of Your holding in shares which may be taxable to income tax or capital gains tax. Requests for partial withdrawals will, unless otherwise requested, be rounded down to the amount capable of being realised through the disposal of the nearest whole number of shares within Your Portfolio. We will endeavour to effect withdrawals in as tax efficient manner as possible at the time, typically with a capital gains tax treatment, but withdrawals, and their tax treatment, cannot be guaranteed (in particular for full withdrawals). We may, from time to time, effect withdrawals by way of dividends. As the underlying investments are illiquid, there is no guarantee that We can effect withdrawals in the targeted timescales, if at all, or that the proceeds will reflect the value of such holdings. Subject to availability of readily realisable funds, We will realise the cash sum required and pay the net sale proceeds over to You upon receipt of such proceeds by Us into Your nominated bank account (net of any applicable charges or sums due). If We are required to effect a share buyback to generate realisable funds to enable a withdrawal request, or if there are a substantial number of withdrawal requests, there may be a considerable delay in paying out on the withdrawal request.
- 14.3** We may deduct from funds payable to You (or at your direction) any fees, charges or sums due or payable to Us or any Affiliates or any delegates.
- 14.4** In exceptional circumstances such as a change in law or practice We may choose to satisfy withdrawal requests (including on termination) wholly or partly by the transfer of investments.

15. Amendments

We may amend the terms of this Customer Agreement or Our arrangements with You by sending You written notice. Such changes shall take effect on the date specified in the notice being not less than ten Business Days from the date of such notice unless the changes are for legal or regulatory reasons when such changes shall take effect on the date specified in the notice.

16. Termination

- 16.1** You may terminate this Customer Agreement at any time by notice in writing to Us. Foresight may terminate this Customer Agreement by giving You 30 days' written notice. Where required to do so by applicable law or regulation or where it becomes impossible, impractical or unreasonable for Us to continue to manage Your Portfolio We may terminate this Customer Agreement immediately by notice in writing. Termination will not affect accrued rights or any contractual provision intended to survive termination, in particular in relation to the liquidation and/or distribution of Your Portfolio. For the avoidance of doubt, the termination of this Customer Agreement will also terminate Your cover under the Insurance Policy.
- 16.2** Following termination of this Customer Agreement We will use Our reasonable endeavours to realise the investments in Your Portfolio in an

orderly fashion (although there is no guarantee that the proceeds will reflect the value of such holdings) and this Customer Agreement will continue to apply from termination until Your Portfolio has been realised and/or transferred to You in full. The net proceeds of sale will be remitted to You after all deductions permitted by this Customer Agreement. If We are unable to liquidate some or all of the investments in Your Portfolio We may transfer investments to You to effect termination of this Customer Agreement. In such circumstances, you should note the potentially adverse consequences in clauses 3.9.1 and 3.9.2 of this Customer Agreement.

- 16.3** We reserve the right to settle outstanding transactions for Your Portfolio at the effective date of termination.
- 16.4** Where We endeavour to liquidate Your Portfolio, this may take place over an extended period of time as there may be limited liquidity for Your Portfolio's investments.
- 16.5** Subject to clause 16.3 of this Customer Agreement, termination will take effect on the date stated in the written notice of termination provided that date is no earlier than the date of receipt of the termination notice by Foresight or any later date agreed with You; and shall be without prejudice to the completion of transactions already initiated, which shall be completed in an orderly manner.
- 16.6** On termination, You will be liable to pay (meaning that We may debit from Your Portfolio and/or any cash payable to you or, if there are insufficient funds, invoice You):
- 16.6.1** all fees and other charges mentioned at clause 6 of this Customer Agreement, accrued and remaining outstanding at the date of termination;
- 16.6.2** any additional expenses necessarily incurred by Us in terminating this Customer Agreement and winding up Your Portfolio; and
- 16.6.3** Our charges (if any) in connection with liquidating Your investments or transferring Your investments into Your name.
- 16.7** On termination, We may retain and/or realise such investments as may be required to settle transactions already initiated and to pay Your outstanding liabilities. If there is a dispute as to the payment of fees to Us, You may require the disputed amount to be held in an escrow account pending resolution of the dispute.
- 16.8** Please note that if Qualifying Investments are sold You will lose any potential entitlement to BPR unless the sale proceeds are reinvested into other relevant business property and HMRC accepts that the new Qualifying Investments have replaced the old Qualifying Investments within the meaning of section 107 Inheritance Tax Act 1984.
- 16.9** We will endeavour to liquidate all investments comprising Your Portfolio within a reasonable time, but given the nature of the investments no liability is accepted in respect of any delays. You acknowledge that in the event of any material change to the legislation governing Qualifying Investments, the liquidation of investments may take a considerable period of time.
- 16.10** We will provide You with a closing valuation of the Portfolio prepared in the manner described above once all outstanding transactions have been accounted for and from which point Our management responsibility for the Portfolio will cease entirely.
- 17. Data Protection and Consents**
- 17.1** We respect Your privacy and are committed to protecting Your personal data. If You would like to find out more about how We use and look after Your personal information, please refer to Our privacy notice, which can be found at www.foresightgroup.eu/privacy-cookies/.

Information may also be shared with regulatory bodies to the extent any of the above entities are required, or consider obliged, to do so in accordance with any statute or regulation or if governmental, judicial and law enforcement bodies so require.
- 17.3** We will at all times keep confidential all of Your information acquired in connection with the Foresight Inheritance Tax Fund, except for information which:
- (a) is in the public domain; or
 - (b) We may be entitled or bound to disclose under the Applicable Rules; or
 - (c) is requested by regulatory agencies; or
 - (d) is given to professional advisers where reasonably necessary for the performance of their professional services; or
 - (e) is authorised to be disclosed by You; or
 - (f) is necessary or desirable for the purposes of administering, or making a claim under, the Insurance Policy,
- and shall use reasonable endeavours to prevent any breach of this clause 17.3 of this Customer Agreement.
- 17.4** We will procure that any agent or delegate that is an Affiliate appointed by Us will observe and comply with the provisions of clauses 17.2 and/or 17.3 of this Customer Agreement.
- 17.5** You have certain rights in relation to Your personal information, including the right to receive a copy of the information that We hold about You. For more details, please refer to Our privacy notice referred to above.
- 17.6** You authorise Us to provide any information as provided by You to Us and by Us to You in connection with Your participation in the Foresight Inheritance Tax Fund to Your authorised financial intermediary detailed on Your Application Form or other financial intermediary notified to Us from time to time. You acknowledge that any such communication may be sent to Your authorised financial intermediary prior to, or where requested, in place of, being sent to You in such form as may be agreed with your authorised financial intermediary. Information may also be provided more frequently where agreed. You also authorise Us to accept changes to your personal details as provided by your authorised financial intermediary (subject to such evidence and/or verification as We may request).

- 17.7** The provisions of clause 17 of this Customer Agreement shall apply to personal data provided in relation to Beneficiaries and references to 'You' and 'Your' shall be construed accordingly.
- 18. Risk Factors and Further Disclosures**
- 18.1** Your attention is drawn to the risk factors set out on pages 24 and 25 of the Investor Guide. The Foresight Accelerated ITS will not be suitable for everybody and it is important that You consider these risks, and the nature of the investment, seeking advice from Your financial or tax adviser as required.
- 18.2** The value of investments and the income derived from them may go down as well as up and You may not get back some or the entire amount invested. Due to the nature of tax reliefs available under the Foresight Inheritance Tax Fund, an investment in the Foresight Inheritance Tax Fund is not suitable as a short term investment and should be held for at least two years.
- 18.3** No monies shall be borrowed nor securities (or similar transactions) granted or entered into for the account of Your Portfolio.
- 18.4** Subject to clause 16.6 of this Customer Agreement, there is no requirement for additional monies to be called upon for addition to Your Portfolio.
- 18.5** No investments in warrants, in units in collective investment schemes or in derivatives of any sort shall be made in any Portfolio.
- 18.6** We do not warrant the solvency, or ability to pay claims, of the Insurer and any insurer with whom any insurances are placed in connection with the Foresight Accelerated ITS.

- 20. Insurance Element**
- 20.1** We have taken out a group policy with the Insurer as set out on pages 8 and 9 of the Investor Guide. We will use reasonable commercial endeavours to procure that cover under the Insurance Policy extends to You as provided for in the Investor Guide and to make claims under the Insurance Policy.
- 20.2** The Insurance Policy will be held in Our name with the benefit of the Insurance Policy being for investors notified by Us to the Insurer. Provided that You have satisfied the eligibility criteria, Your cover under the Insurance Policy will commence on the date on which shares are acquired by You under the Foresight Accelerated ITS. Where You comprise two persons as joint investors, each of You will be individually covered under the Insurance Policy and each regarded as having invested an equal split of the Net Investment Amount. Only We will be able to make claims under the Insurance Policy. Neither the personal representatives of Your estate nor Your Beneficiaries will have any right to claim (directly or indirectly) under the Insurance Policy.
- 20.3** By signing the Application Form You (and where a joint application is made, each of You):

- 20.4** If You die during the Initial Period, the personal representatives of Your estate will need to notify Us and provide Us with an original of Your death certificate. We will not be able to make a claim under the Insurance Policy if no death certificate is received. The Insurer may request further information to validate the claim. We will forward on such requests to the personal representatives of Your estate and it will be their responsibility to collate and provide all such information requested to Us to forward on to the Insurer via any agent appointed by Us to administer, or make a claim under, the Insurance Policy. We will not otherwise have any responsibility to progress a claim under the Insurance Policy. To the extent the personal representatives of Your estate are unable to provide the information requested (or the provision of such information is delayed), the claim under the Insurance Policy may fail (or the proceeds of a successful claim may not be paid out in a timely manner).
- 20.5** We will only be obliged to pay out the proceeds of a successful claim payable in the event of Your death under the Insurance Policy to Your Beneficiaries (net of any amount required to settle the IHT liability in respect of such proceeds) to the extent that We receive proceeds from the Insurer and We will have no other direct or indirect liability to make any payment to Your estate and/or Your Beneficiaries. We may request (as a condition precedent to distributing some or all of the proceeds of a claim under the Insurance Policy) an indemnity from the

personal representatives of Your estate or Your Beneficiaries to whom Insurance Policy proceeds are paid to cover any IHT liability in respect of such proceeds if, for any reason, the amount calculated and settled either by the personal representatives of Your estate or Us is insufficient.

- 20.6** You acknowledge that the cover under the Insurance Policy will terminate on the expiry of the Initial Period. Claims will also be excluded if You make any withdrawals (whether effected through a transfer of shares, dividend payment or any other payment) during the Initial Period (other than to meet ongoing product or adviser charges).
- 20.7** By signing the Application Form, upon an investment being acquired for Your Portfolio, You automatically assign Your beneficial interest in the Insurance Policy to Us as trustee according to the terms of the settlement detailed in Schedule 2 of this Customer Agreement and we accept the role of trustee of that settlement on the terms and conditions detailed in Schedule 2 of this Customer Agreement.

- 21.9** Where You comprise more than one person at any time We may rely upon any notice from any one of such persons on behalf of You and any waiver or agreement with any one of such persons shall be binding upon You. On the death of a joint holder we shall be entitled to treat the survivor(s) as the only person(s) having title or ownership of the Portfolio of the joint holder.

SCHEDULE 1 – ORDER EXECUTION POLICY

Execution factors and execution criteria

We have an obligation when executing orders for the Foresight Inheritance Tax Fund to obtain the best possible outcome.

The FCA requires various execution factors to be taken into account including price; cost; speed; market impact; likelihood of execution and settlement; size; or any other consideration meriting a high relative importance in obtaining the best possible result. However, in some circumstances, We may appropriately determine that other execution factors are more important than price in obtaining the best possible execution result. We will determine the relative importance of the execution factors by using Our commercial judgement and experience in light of market information available and taking into account the execution criteria.

The execution criteria are defined as the characteristics of the client, order (orders placed in the market will indicate a price range that is suitable for the investment decision), type of financial instrument (some shares are more liquid than others, and illiquid shares will be less easily tradable in volume) and the execution venue.

The scope of activities undertaken by Us does not currently include placing orders with brokers or dealers. Should We place orders with brokers or dealers for execution We will satisfy ourselves that the broker or dealer has arrangements in place to enable Us to comply with Our best execution obligations to Our clients. Specific arrangements will be put in place such that brokers will confirm that they will treat Us as a professional client and will, therefore, be obliged to provide best execution.

Special purpose vehicles ('SPVs')

We may establish special purpose vehicles for the purpose of investments. As shares in SPVs cannot be obtained from any other sources there is limited opportunity to apply some of the execution factors.

Monitoring and review

We will review the effectiveness of Our execution policy and order execution arrangements on an annual basis. Whenever a material change occurs

that affects Our ability to continue to obtain the best possible result for You, We will notify You of any material changes to Our execution arrangements or Our execution policy by posting an updated version on Our website (www.foresightgroup.eu).

SCHEDULE 2 – ASSIGNMENT AND FORM OF SETTLEMENT

PARTIES:

- (1) The investor (“Settlor”)
