

Foresight VCT Planned Exit

First Quarter for financial year 2016

period ended 31 March 2016

INVESTMENT MANAGER'S REPORT

The NAV of the Foresight VCT Planned Exit Share class increased to 38.5p per share at 31 March 2016 from 36.8p per share at 31 December 2015. This change principally reflects an increase in the valuation of Trilogy Communications Ltd, which, although still experiencing difficult trading conditions, has recently won a number of defence contracts with more orders in prospect.

PORTFOLIO ACTIVITY

During the quarter there were no purchases or sales. The manager is focused on realising the three remaining investments in order to return capital to investors as soon as possible. Progress is being made in seeking potential acquirers for these three investments.
